### Le Corbusier LC10 Coffee Table

\$75.00

The price is for 1-5 working days rental hire

This is a top quality Le Corbusier LC10 table.

Le Corbusier was undoubtedly one of the most famous architects, artists and furniture designers the world has known. He began experimenting with furniture design in 1928. Early in his career he met stiff resistance, due in part to his revolutionary design ideas.

With polished stainless steel tubular legs, the table is linked by black lacquered rails and topped by a tempered glass top that makes it a suitable solution in residential as well as commercial environments.

L: 120cm W: 80cm H: 35cm

Weight: 48.5kg

Top: 15mm tempered glass

Frame: Black powder coated stainless steel

Legs: Mirror-like polished stainless steel
